

The Proper Separation of Recyclable and Household Waste

Rules on taking out garbage

- Please follow the collection dates**
Just verify in the "Recyclables and Garbage Collection Calendar" or "Garbage Sorting Application."
- Take it out until 8:30am of the collection date**
- Please follow the sorting and way of taking it out**

Garbage Collection Station is **not "garbage box."** It is a place where you should obey the indicated classification in the fixed day and time for throwing.
