Q From what age should I pay Nursing Care Insurance?

Nursing Care Insurance Division Tel.0568-76-1197

A Payment for Nursing Care Insurance starts from 40 years old. 40 to 64 years old pays their Nursing Care Insurance with their enrolled health insurances (health insurance of the company or the national health insurance). From 65 years old or older, payments shall be made with the payment statement sent from the city (or account transfer), or deducted from the pension.

As a general rule, payment is made through a pension deduction. (This is determined by the Long-Term Care Insurance Act.)

You cannot choose your own method of payment.

Q Should I pay the insurance premium even if I am not using the services?

A Yes. Nursing insurance is a system designed to support nursing care in an aging society by society as a whole. Make your payment even if you are currently not using the care service, for those who are using the care service as well as for in case you become in need of care service.

Let's participate in Ward (Local Neighborhood Association) Activities

You can always count on your neighbors. It is important to get along with your neighbors on a regular basis.

Help each other in natural disasters

When a major natural disaster occurs, fire fighters, police and city employees may not be able to come to help you. When major disasters have occurred in Japan in the past, local communities have helped and supported each other saving many lives.

Make a Clean and Comfortable Neighborhood

The Local Neighborhood Association conducts activities to make a beautiful city such as cleaning the city including parks, etc., and management of the waste collection site to create a comfortable environment for the local residents.

Please consult to the City Hall (Local Neighborhood Association Support Room)

What is a (ward) neighborhood association?

A A neighborhood association is an organization self-governed by local residents or companies.

There are 129 neighborhoods in the city and each neighborhood is working to improve their area through a variety of activities.

What are they doing?

A Neighborhood associations interact with the city government and work on many kinds of activities for the local residents.

The president of the neighborhood association, performs many different kinds of activities such as announcement of city information for the neighbors, asks City Hall for repairing roads and administration of garbage collection locations in coordination and contact with the city.

Issues or problems in the neighborhood cannot be solved alone.
Join your local neighborhood association as a part of your local community and make your neighborhood better together.

Major activities of the neighborhood association.

Friendship promotion activities	Producing Bon dancing, festivals, sports festivals, senior recreation gatherings and so on.
Public relations activities	Distributing and passing circular notices, posting public relations of the city, and local information magazine.
Cleaning activities	Cleanup of parks, drainage gutters, and other community areas
Disaster prevention activities	Organizing fire/disaster prevention training, establishing local disaster prevention association.
Safety activities	Street activities on Zero Traffic Accident Death Day or crime prevention activities.
Garbage collection site management	Establishing and administration of garbage collection locations, etc.
Other	Performing many kinds of activities to expand the community such as managing a meeting place for local activities.
