

## Make your own "My Timeline"

"My Timeline" is your own action plan to survive a disaster by previewing series of your behavior in an emergency. Take time together with your family and friends to talk about "when," "who," and "what" to do, and check risks on the Hazard Map.

Before a disaster	Alert Level 1	Alert Level 2	Alert Level 3	Alert Level 4	Alert Level 5
<p><b>Collect weather information.</b></p>  <ul style="list-style-type: none"> <li>●Collect weather information</li> <li>●Check foods &amp; items for emergency</li> <li>●Prepare emergency kit.</li> </ul>	<p><b>Pay attention to the weather information</b></p>  <ul style="list-style-type: none"> <li>●Prepare yourself for a disaster</li> <li>●Check around your home</li> </ul>	<p><b>Prepare for evacuation.</b></p>  <ul style="list-style-type: none"> <li>●Ensure evacuation routes and shelters.</li> <li>●Keep emergency kit on hand.</li> </ul>	<p><b>Evacuation of the elderly, etc</b> (announced by Municipale office)</p> <p><b>Evacuation information</b></p>  <p>The elderly and people in need of assistance start <b>evacuating</b>. Others start preparing for evacuation. And evacuate of your own will.</p>	<p><b>Evacuation Order</b> (announced by Municipale office)</p> <p><b>Evacuation information</b></p>  <p>Evacuate immediately. <b>There is a very high risk of disaster.</b></p>	<p><b>Securing Emergency safety</b> (announced by Municipale office)</p> <p><b>Evacuation information</b></p>  <p>A disaster is occurring, <b>Take the best action to save lives.</b> (Move to a higher floor or place)</p>
Advisories & Warning from the authorities / local government.	Early Warning information. (Warning level is possible)	Heavy rain advisories /Flooding advisories	<b>Warning Level 3</b> Flood alert information Heavy rain and flood warning	<b>Warning Level 4</b> Flood risk information Landslide warning	<b>Warning Level 5</b> Flood occurrence information Heavy rain special alert

<p><b>「When」</b> <b>「Who」</b> <b>「What to do」</b></p> <p><b>Plan "My Timeline"</b></p> <p><i>Prepare to yourself to survive a typhoon with "My Timeline."</i></p>	<p>e.g., Collect the weather information. Ensure emergency kit and evacuation places. Staying in touch with your family.</p>	<p>e.g., Get ready to evacuate. Take to Evacuate to ○○○○ with your grand parents</p>	<p>e.g., Evacuate to ○○○○ immediately. Move to a higher floor of your home</p>	<p>e.g., Complete evacuation Continue to monitor the news</p>
